

Debbie Cotton

As an instructor of acrylic painting, Debbie Cotton has become a very well known artist within the industry. She has a natural ability to paint and design and offers lessons that feature a large variety of subjects such as animals, still life, flowers, fruits, vegetables, landscapes and whimsical seasonal designs. Her warm and inviting personality lean towards a relaxed and informative learning environment that offers a wealth of information for any level of painter making her a sought after travel instructor throughout North America. Her teaching and design career began over eighteen years ago being published within the pages of magazines such as Paint Works and Quick & Easy Painting Magazines. Debbie has developed her own very unique and distinct style that is easily identified in published works. In August, 2011, Debbie released her first publication by All American Crafts. This book features 12 brand new designs with step-by-step worksheets and instructions. It covers a variety of subjects and is called "Painting Vintage Style." This August, 2014, Debbie is pleased to release her second book, "Painting Vintage Style II."
